

BE A PART OF HISTORY!

It's your opportunity to build a lasting memory at the NEW Rust Library.

Library patrons, area families and the business community have a unique opportunity to become an integral and lasting part of the beautiful new Rust Library. With the expansion and renovation of our library, a 2000-brick pathway leading to the entrance of the library has been designed which offers an opportunity to create a lasting memory. These commemorative bricks are a wonderful way to show your support, mark a special occasion or preserve the name of a friend, loved one, associate or business.

Your generous contribution of \$100 will reserve one custom engraved 4x8" brick. The money will go towards enhancing the services provided by the Rust Library.

TO ORDER: Please fill out the form below and send your check to:

If you are considering purchasing more than one commemorative brick, please complete a separate order form for each brick. Thank you!
